

**Environmental Stewardship for Home, Farm, Business, and Community**  
**Presented by the Millersville University Center for Environmental Sciences**

**Sponsored in part by PPL Corporation**

**& in cooperation with**  
**the Lancaster County Conservation District & Keep Lancaster Beautiful**

Date: Sat. 8 April 2006 –

- Time: 8:15 am to 12:15 pm
- Student Memorial Center, Millersville University
- Open to anyone who wishes to learn about being a better environmental steward
- Registration required.
- Information and Registration Forms are available at [www.muces.org](http://www.muces.org)
- To help us plan, please register by 4:00 pm on April 3<sup>rd</sup>. However, space permitting, registrations on the day of the conference will be accepted.

This conference is designed to provide practical information that we as individuals and as communities can use to become better environmental stewards. Our goals are to emphasize the positive aspects of good environmental stewardship and provide all participants with information that they can use in their homes, farms, businesses, schools, and within their communities. A concurrent environmental program for children (K-6) will be available (no charge, but we do need to know numbers and grade levels to plan appropriate activities).
