If you are unable to comply with this time frame, please let us know your desired time frame and/or suggest another reader if possible.

In your evaluation, please make a clear-cut recommendation:

- Revise and resubmit (specify conditions), or
- Reject (specify reasons).

We are interested in 1-2 pages of comments on

- Originality of conception and significance of questions asked;
- Quality of methodology and sources;
- Vigor and cogency of argument;
- Felicity of style and organization;
- Contributions to the field of foodways research.

We will forward your comments anonymously to the author so suggestions for improvement or more appropriate journals for the article are greatly appreciated. Please send your comments via email to: carole.counihan@millersville.edu
